# QR Feedback Card – Sustainability Solution

## The Environment

Moreover, BPN Maestro Housekeeping solution enables the implementation of our **Green Housekeeping Option**. Generally, many guests consider it sufficient if the room cleaning takes place only every second or third day.

BPN Maestro enables the guests to communicate this information digitally to housekeeping staff and do something good for the environment in the process.

## Support & Save

### Savings

- ❖ Linen Washing [cost]
- ❖ Cleaning Products [chemicals]
- ❖ Housekeeping Service [manpower]

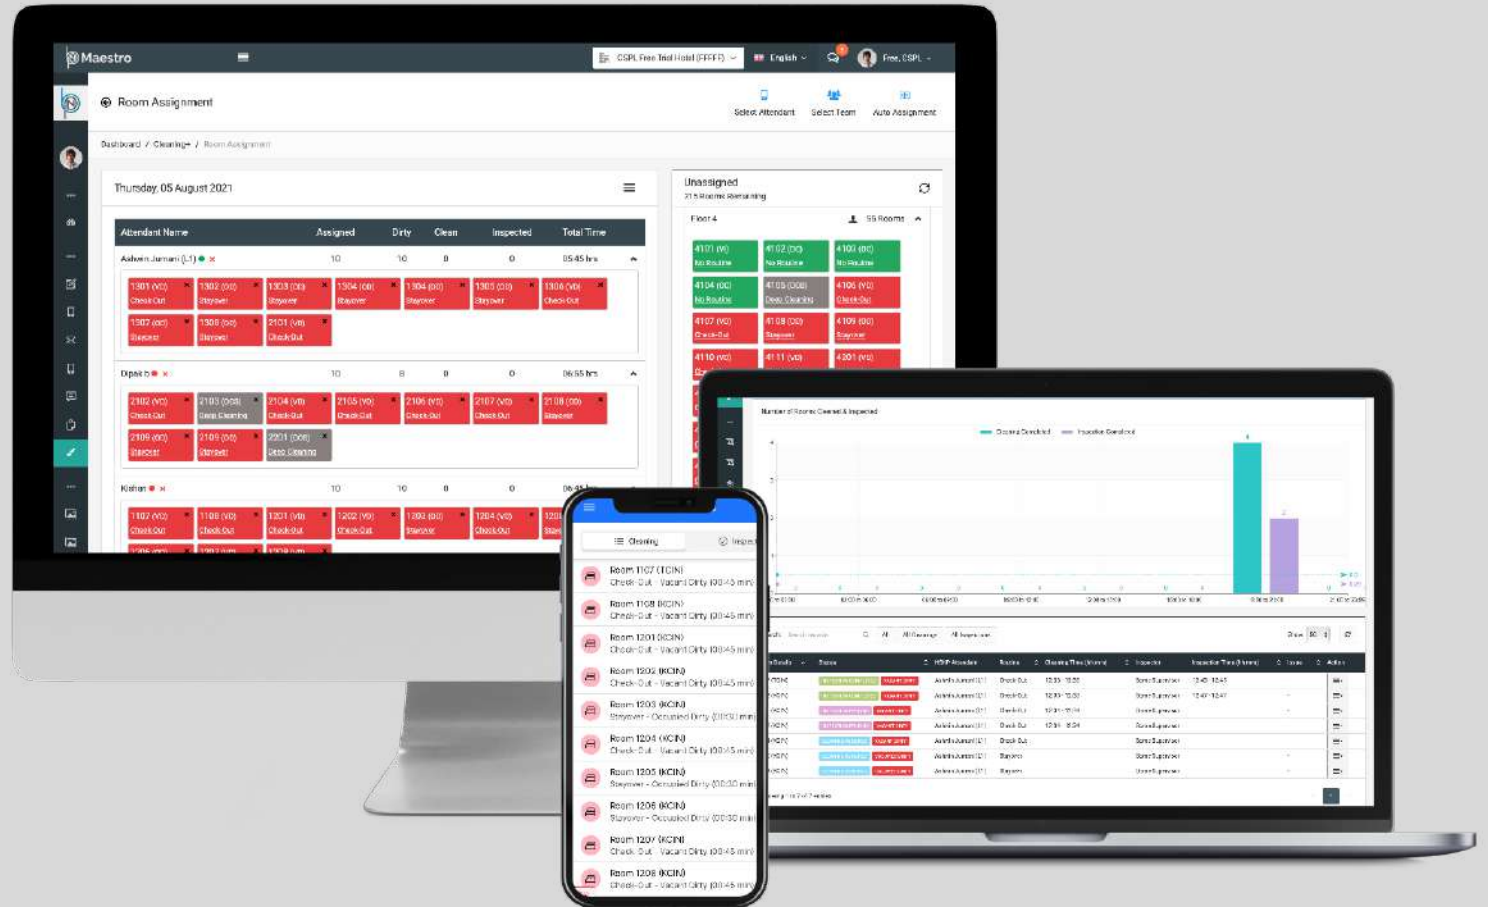

# Housekeeping Cleaning+

Automated Room  
Assignment, PMS  
Integration and detailed
